FULL PAYMENT TO RESERVE SEAT

A reliable and powerful network is important and crucial in today's projects. You can compare a network with a nervous system. It is essential for the performance of the whole system independent of the data, like lighting, video or audio, that is being transmitted.

PRESENTED BY
JANNIE DE JAGER

TOPICS COVERED

- NETWORK PROTOCOLS
- SHOW CONTROL PROTOCOLS
- PLANNING A NETWORK
- TROUBLESHOOTING

REQUIREMENTS

- LAPTOP OR PC
- OPTIONAL NETWORK SWITCH
- VALID ID

IT'S ALL ABOUT THE People

Training on Networking and Lighting Protocols

You are invited to attend a Networking and Lighting Protocols Workshop presented by Jannie De Jager on 29 October at DWR Distribution.

A reliable and powerful network is important and crucial in today's projects. You can compare a network with a nervous system. It is essential for the performance of the whole system independent of the data, like lighting, video or audio, that is being transmitted.

Jannie will concentrate network protocols, show control protocols, show you how to plan a network and cover troubleshooting.

Delegates are to please supply their own laptop or PC. A network switch is optional.

The cost is R850 and includes lunch and refreshments.

The course will be held at DWR Distribution, C1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

Bookings on line at: <https://dwrdistribution.co.za/register/protocols-training-jhb-october-2019/>
