

UTV SC by Unilumin - Excellent COB All-In-One

Posted on April 7, 2026

Excellent COB All-In-One

- Dual OS Support
- Energy-efficient Cool Display
- Intelligent Collaboration

Features

- Multiple Sizes

UTV SC by Unilumin – Excellent COB All-In-One

- User-Friendly Operation
- Eye-Comfort Technology

Multiple Sizes
2K/4K Standard Resolution
108 inch, 135 inch, 162 inch, 217 inch

User-Friendly Operation
90%
Plug & Play | Wireless Casting | 12+ Ports

Eye-Comfort Technology
Surface Light Source | Low Blue Light
Low Grayscale High Brightness

Slim Design
<30mm Panel Thickness;
Modular Cabinet Array;

High-Performance Core
ARM
Android 13.0 OS
Octa-Core Processor

Energy Rating
Common Cathode COB
Energy Savings >30%;

Touch & Annotation
Electronic Whiteboard
Real-Time Markup

Built-in Premium Audio
Dual 30W Speakers

Dual OS Support
Android / Windows

Certified & Trusted for Secure Operation

ETL list/FCC/CE/CB, etc

UTV SC by Unilumin – Excellent COB All-In-One

Bulk Stock, Rapid Delivery

- Mini/Micro LED Production: 10,000+ sqm/month (Self-Developed & Self-Manufactured)
- UTV Division Stock: 100+ units (rolling inventory)
- Standard Lead Time: ≤7 Days (Ex-Works)

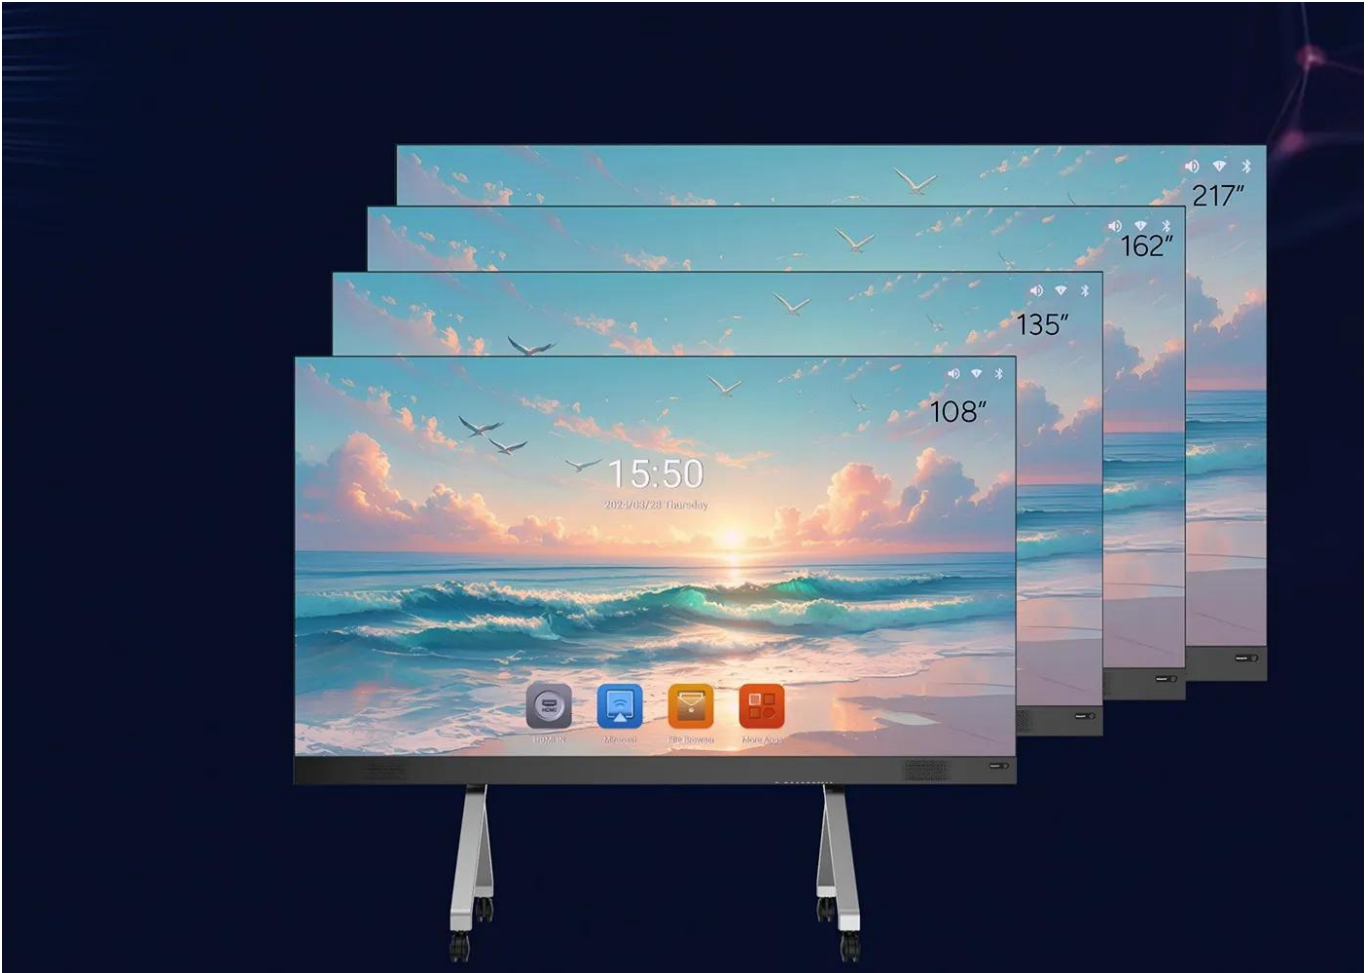

UTV SC by Unilumin - Excellent COB All-In-One

Multiple Sizes with Comprehensive Pixel Pitches

- 16:9 Standard Aspect Ratio.
- 2K/4K Standard Resolution Support.
- Pixel Pitch: 0.7mm~1.8mm.

UTV SC by Unilumin - Excellent COB All-In-One

Abundant Ports, Flexible Expansion

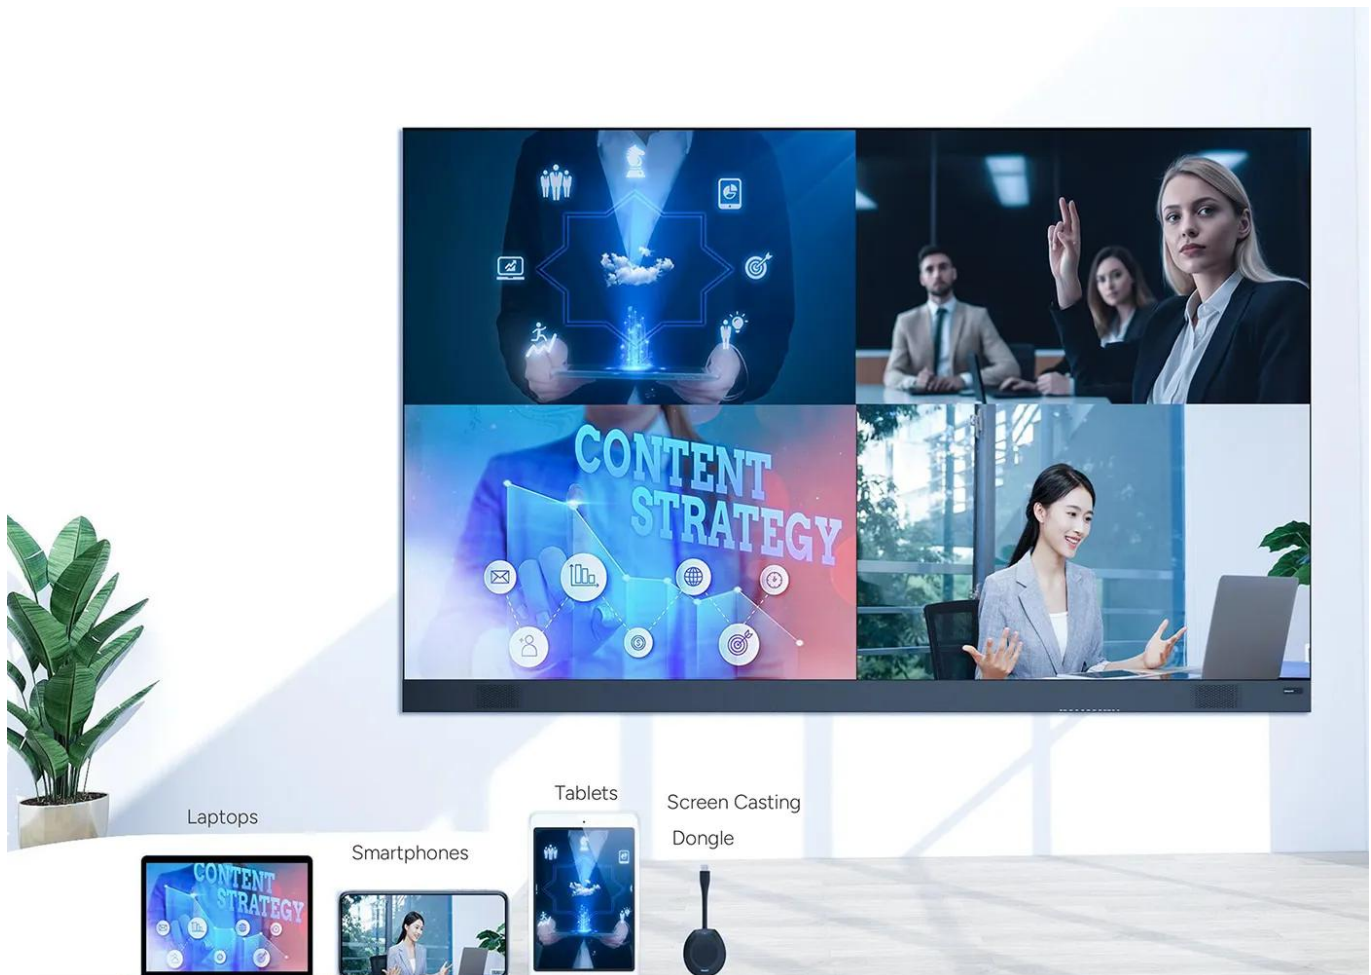

- 12+ interface design for versatile connectivity.
- Rear cable management for clean installation.

UTV SC by Unilumin - Excellent COB All-In-One

One-Cast Screen Sharing

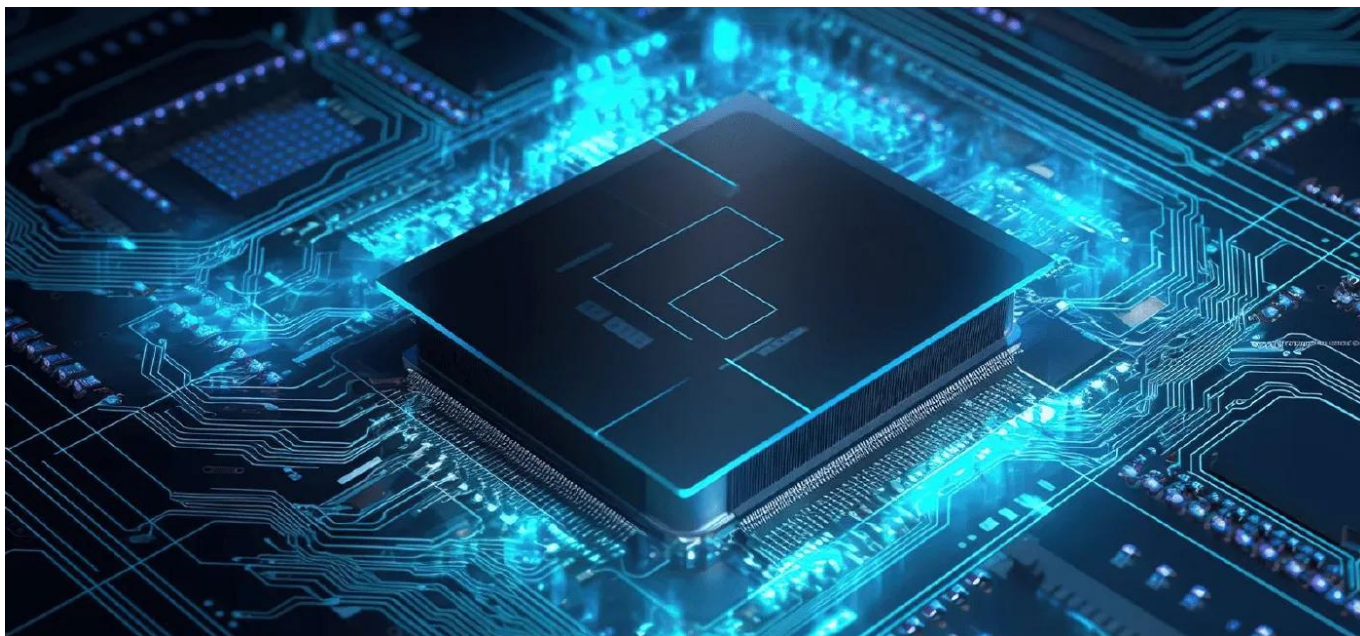

- Wired/Wireless/Software Multi-Mode Projection;
- Windows/Android/iOS/ mac OS Cross-OS Compatibility;
- 9-Screen Multi view;

8-Core CPU, Rock-Solid Performance

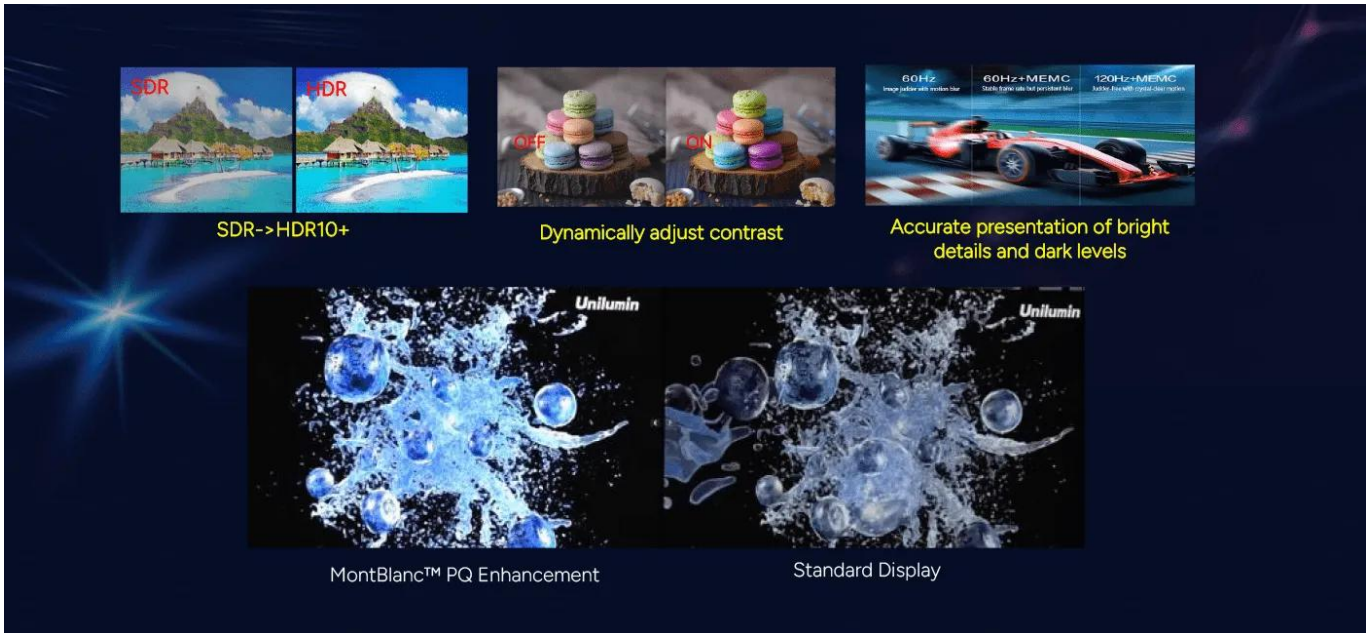

- Octa-core CPU: 4×Cortex-A73 + 4×Cortex-A53
- Dual-channel WiFi maintains stable connections
- 4K@60Hz input with HDCP 1.4/2.2 HDMI compliance
- 8GB+64GB Configuration

UTV SC by Unilumin - Excellent COB All-In-One

Picture Quality Engine

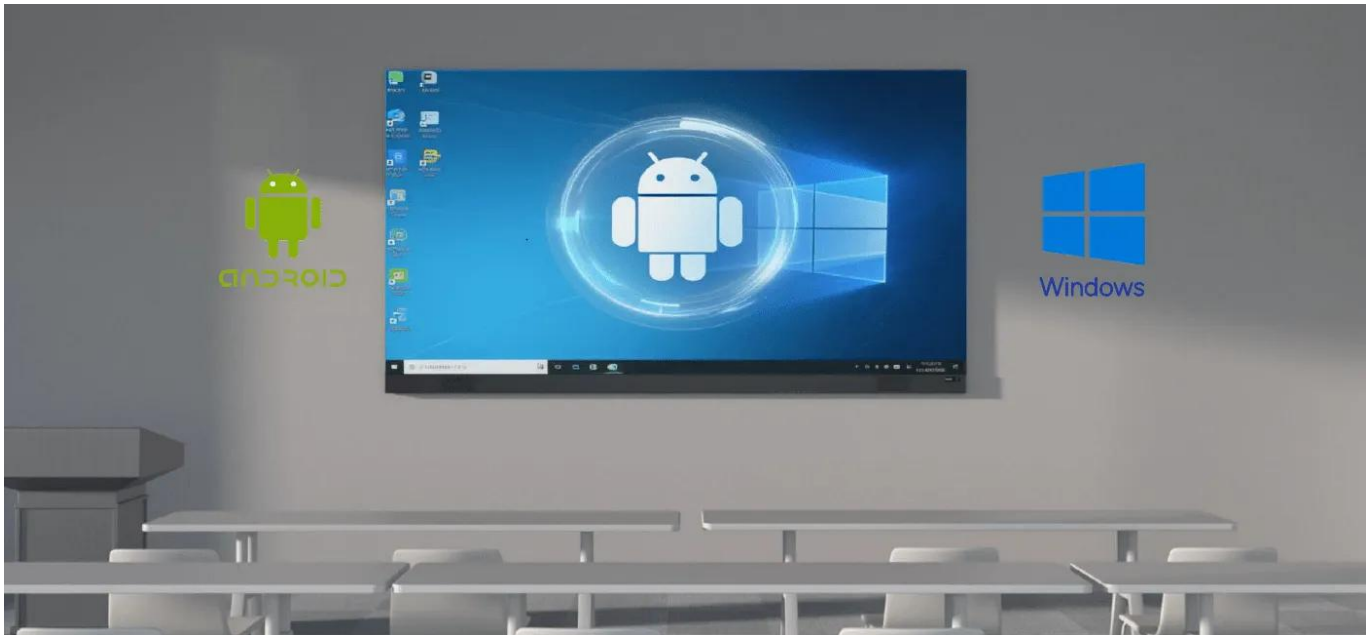

UTV SC by Unilumin – Excellent COB All-In-One

Dual OS, Multi-Scenario

Android+Windows □ Instant switching between Android 13 & Windows 10

UTV SC by Unilumin – Excellent COB All-In-One

Touch Interaction, Smart Collaboration

- 20-point touch, millisecond-level response;
- Infinite canvas and dynamic window scaling;
- Signal Channel Annotation;
- Retractable Stylus;

Energy-Efficient Cold Screen

- Flip-chip LEDs

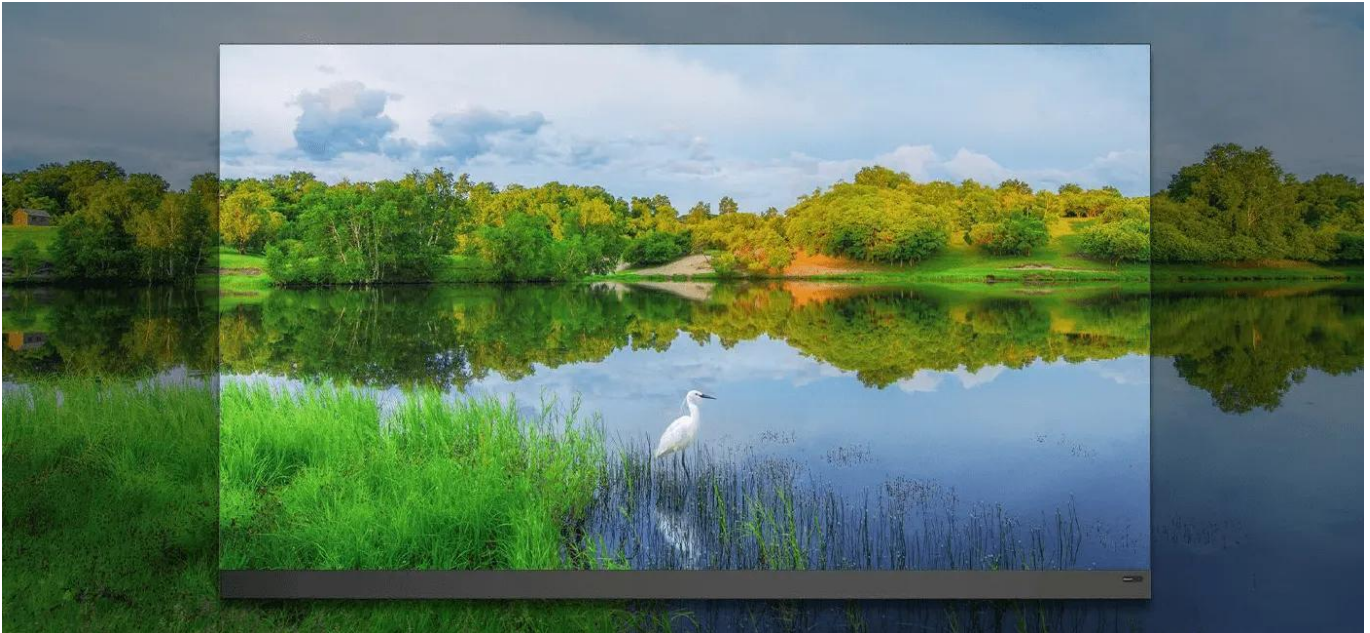

(20%+ efficiency gain)

- Common cathode circuit

(10%+ power reduction)

- Max operating

temperature: 37°C

User-Friendly Operation

- One-click power on/off & plug-and-play
- Long distance remote control (up to 20m)
