

Vectorworks Spotlight 2022 Training in Johannesburg

Posted on February 14, 2022

The poster features a dark blue background with a faint, glowing architectural rendering of a dome-like structure. The word 'Training' is written in a large, white, cursive font in the top left. Below it, 'VECTORWORKS SPOTLIGHT 2022' is written in a bold, teal, sans-serif font. A teal horizontal line separates this from a list of dates and levels: 'MARCH 7 BASIC', 'MARCH 8-9 INTERMEDIATE', and 'MARCH 10-11 ADVANCED'. A teal rounded rectangle contains the text 'JOIN DYLAN JONES' and the address '@ DWR, Block C, Unit 1 Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew, JHB'. At the bottom left, a list of topics is shown in teal and white: 'User Interface Palettes Basic Tools', 'Classes & Layers Worksheets Reports', '3D Modeling Import & Export Options', 'Resource Management Rendering', and 'Event Toolsets Custom Titleblocks'. On the right side, the text 'BOOKINGS ONLINE' is at the top, followed by the Vectorworks logo (a white 'V' in a circle), the vertical text 'VECTORWORKS SPOTLIGHT', and the DWR distribution logo at the bottom right.

distribution

It brings DWR Distribution great pleasure to announce Vectorworks Spotlight 2022 Training,

Vectorworks Spotlight 2022 Training in Johannesburg

presented by Dylan Jones and to be held 7 to 11 March from 9 am to 4 pm at DWR Distribution in Johannesburg.

The Vectorworks 2022 entertainment tools focus on improving your workflow and saving you time. The course will be split up into Basic Training (7 March), Intermediate Training (8 and 9 March) and Advanced Training (10 and 11 March) and the cost is R300 per module. This will be refunded on completion of the course. Delegates are welcome to join us for one or all of the days as needed.

Vectorworks is a wonderful tool and Dylan will cover a range of topics including layouts and palettes, basic tools, classes and layers, spotlight tools, Renderworks, intermediate tools, worksheets and reports, 3D modeling, resource management and file import and export.

Those attending are requested to bring their own PC or MAC (installed with Vectorworks Spotlight software), a keyboard, mouse and screen. To download your free trial visit:

<https://www.vectorworks.net/en-US/spotlight>

Kindly note that the course will be restricted to 10 delegates per day.
