## Vectorworks Spotlight 2023 Intermediate Intro in Cape Town

You are invited to join Jade Manicom as she presents Vectorworks Spotlight 2023 Training from 19 to 20 June in Cape Town. The introduction to intermediate session, restricted to 12 delegates, will leave users equipped to create venue plans and 3D renders.

Take the next step and elevate your design process! This is the ideal training opportunity to become proficient 2D drafting skills with 3D modeling.

The Vectorworks Spotlight 2023 entertainment tools focus on improving your workflow and saving you time. Jade will cover a range of topics including layouts and palettes, 2D and 3D tools, classes and layers, Spotlight tools, Renderworks, 3D modeling, resource management and file import and export.

Those attending are requested to bring their own PC or MAC (installed with Vectorworks Spotlight software), a keyboard, mouse and screen. To download your free trial visit:  
<https://www.vectorworks.net/en-US/spotlight>

Please note: The free trial is a 7-day trial. If you will be working on the free trial, please only install it on the 18 June or you can install it the morning of the training.

The course will be hosted at DWR Distribution, Unit 37B Platinum Junction, 4 School Street, Marconi Beam, Cape Town 7441.

Bookings on-line:
