

Vectorworks Spotlight 2023 Training in Johannesburg

Posted on February 16, 2023

A promotional poster for Vectorworks Spotlight 2023 Training. The background features a 3D architectural rendering of a stage with performers. The text is overlaid on this background. At the top left, 'Training' is written in a large, white, cursive font. Below it, 'VECTORWORKS SPOTLIGHT 2023' is written in a bold, teal, sans-serif font. To the right of this, 'BOOKINGS ONLINE' is written in a smaller, white, sans-serif font. In the center, there is a circular logo with a white 'V' on a dark background. Below the logo, 'VECTORWORKS' is written vertically in a white, sans-serif font, and 'SPOTLIGHT' is written vertically in a larger, white, sans-serif font. At the bottom left, there is a teal rounded rectangle containing the text 'JOIN JADE MANICOM' in white, bold, sans-serif font, followed by the address '@ DWR, Block C, Unit 1 Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew, JHB' in a smaller white font. Below this, a list of topics is shown in a teal, sans-serif font: 'User Interface Palettes Basic Tools', 'Classes & Layers Worksheets Reports', '3D Modeling Import & Export Options', 'Resource Management Rendering', and 'Event Toolsets Custom Titleblocks'. At the bottom right, the 'DWR distribution' logo is visible, consisting of 'DWR' in a large, white, serif font inside an oval, with 'distribution' in a smaller, white, sans-serif font below it.

You are invited to join Jade Manicom as she presents Vectorworks Spotlight 2023 Training in March from 9 am to 4 pm at DWR Distribution, Johannesburg.

The Vectorworks 2023 brings big updates that will accelerate your BIM workflows without getting bogged down by technology. The course will be split up into Basic Training (6 March),

Vectorworks Spotlight 2023 Training in Johannesburg

Intermediate Training (7 and 8 March) and Advanced Training (9 and 10 March) and the cost is R300 per module. Delegates are welcome to join us for one or all of the days as needed.

Topics to be covered include layouts and palettes, basic tools, classes and layers, Spotlight tools, Renderworks, intermediate tools, worksheets and reports, 3D modeling, resource management and file import and export.

Those attending are requested to bring their own PC or MAC (installed with Vectorworks Spotlight software), a keyboard, mouse and screen. To download your free trial visit:

<https://www.vectorworks.net/en-US/spotlight>

Please note: The free trial is a 7-day trial. If you will be working on the free trial, please only install it on the 5th of March or you can install it the morning of the training.

Kindly note that the course will be restricted to 10 delegates per day.
