## Vectorworks Spotlight in Johannesburg

DWR Distribution invites you to our 4-day Vectorworks Modelling & Spotlight Training with Jade Manicom, 25 to 28 August 2026, from 9am to 5pm at DWR Distribution, Johannesburg. This hands-on training session, designed for beginners and current users, is limited to just 12 participants to ensure a tailored learning experience. By the end of the course, you'll have the skills to create detailed venue plans and impressive 3D renders.

The course will take place over 4-days, covering **Vectorworks Modelling & Vectorworks Spotlight**.

For the first 2 days, the course will delve into essential tools, commands, and concepts necessary to enhance your 2D drafting and 3D modelling skills. It covers navigating the workspace and all the tools needed to create and present your models.

For the last 2 days, the course will focus on Spotlight specific tools which covers the tools needed to create your event space and renders. Learn how to bring your imagination into reality and provide all the necessary information to your team for an easier setup.

Those attending are requested to bring their laptop or desktop installed with Vectorworks Spotlight software, and a mouse. To download your FREE TRIAL visit:
