

# Waves Training

Posted on February 16, 2023

The poster features a central image of a laptop displaying the Waves software interface, with a mixing console in front of it. The background is dark with blue light effects. Text is overlaid on the left side, and a yellow banner is at the bottom left. The DWR distribution logo is in the bottom right corner.

distribution

Advance your audio skills at a Waves Training session to be presented by Kyle Robson on 16 March from 9 am to 4 pm at DWR Distribution.

Waves is the world's leading developer of audio plugins and signal processors for the professional and consumer electronics audio markets. Heard on hit records, major motion pictures and popular video games worldwide, Waves' cutting-edge software and hardware processors are used in

every aspect of audio production from tracking to mixing to mastering, broadcast, live sound and more.

Kyle will share tips and tricks as he shares information on Waves Live, Sound Grid Network and Sound Grid Applications.

Delegates are requested to create a free Waves Account via Waves website (<https://www.waves.com/login?returnurl=%2faccount>) and download Waves Central software to their laptops or PC for the course.

The cost is R250 per person and includes a light lunch and refreshments.
