

## Welcome Angela

12 September 2012

DWR Distribution takes pleasure in welcoming Angela Botha to our team. With her cheerful nature she has brought smiles to everyone in the office. With her knowledge of Pastel, she will be assisting the accounts department and help with invoices and quotations.

Angela is a former Krugersdorp High School student and for the past three years worked at Filter Pure Mesh carrying out administrative duties and internal sales.

"I was found by DWR receptionist, Amanda Bell," laughs Angela. They met recently at a Damelin PA / PR Course and have become best friends since. Amanda introduced Angela to DWR, and the rest, as they say, is history!

In her spare time Angela enjoys painting and scrapbooking. Her adventurous spirit led her to quad bikes and every week she also attends Zumba Dance Fitness lessons. "I also love shopping," she says, "Which girl doesn't?"

We are so pleased to welcome you Angela and hope you will enjoy your stay with us.
