A hearty welcome extends to Randall Olsen who joins DWR Distribution as Stores and Procurement Manager.

Randall's background includes 20 years in the technical service environment and a further 23 years in retail – we sincerely appreciate the passion and enthusiasm he has already brought to the company.

In his spare time, Randall enjoys fishing, shooting and Radio Control Aero Modelling, not just flying but also building aeroplanes. "I do everything from start to finish," smiles Randall, "And I'll do the same here."

It has been said that there is a bit of nepotism going on at DWR. Well this is true! Randall is Robert Izzett's father-in-law and someone we've known for many years. We are delighted to welcome you to the family!
