

A warm welcome extends to

Basinki Sekori and Amanda Bell who have joined the DWR Distribution team.

Basinki has been in the industry for the past nine years and is proving to be a great help in the office. "It feels like I'm home," he said.

Amanda worked at a doctor's room for six years, so, if you have a sick fixture, she'll know just what to do! "I was looking for a new challenge and Duncan gave me this opportunity at DWR," said Amanda. "I am enjoying every moment of it."
