

DWR Distribution's Robert Izzett and his lovely wife Charlene are the proud parents of Zoey Ann, born on the 9th April at 05:45. Zoey weighed 3.1kg and was 48cm long.

We pray that little Zoey will bring much joy all the days of her life and that she will be blessed by the Lord abundantly. Enjoy every minute Rob and Charlie because children grow up way too fast! We hope that this will be a very special season for you.
