

## Metal Fabrication

Our Metal Fabrication Department will assist you with custom steel and aluminium work for Video Screen Brackets, Custom Brackets, Projector Brackets, Lighting Bars, Patch Bays, Staircases, Base Plates, Top Plates, Trussing Accessories and a few extras.

Here are some images of custom / stock items produced by our Metal Fabrication Department.

If you need something specific, or see anything you like below, please feel welcome to contact Keith Pugin at [keith@dwrdistribution.co.za](mailto:keith@dwrdistribution.co.za).
